

Targus AKB862US keyboard Universal RF Wireless + Bluetooth QWERTY English Black

Brand : Targus

Product code: AKB862US

Product name : AKB862US

Wireless, Bluetooth, MacOS and Windows, Tablet/Phone Device

[Targus AKB862US keyboard Universal RF Wireless + Bluetooth QWERTY English Black:](#)

Take this keyboard anywhere you go and turn any space into a workspace. Using Bluetooth 5.1 wireless technology, the Compact Multi-Device Bluetooth Antimicrobial Keyboard can connect to your phone, your laptop, and your tablet, and easily switch between each with the push of a button. Switch your keyboard on with a simple flip of the power button, and note the battery life indicator light. Don't worry, two AAA batteries are included, so you can get to typing whenever and wherever you are.

For an added benefit, this keyboard features Targus DefenseGuard Antimicrobial Protection, which creates a cleaner surface and works continuously to protect the keyboard by preventing the growth of microorganisms. Unlike topically applied sprays, DefenseGuard keyboards are treated with an antimicrobial additive that does not wear off and lasts for the life of the product.
