

3M 6100-W ST Blue, White

Brand : 3M

Product code: 80611127533

Product name : 6100-W

Hot Melt Jacketed ST Connector MM 6100-W, White

3M 6100-W ST Blue, White:

3M Hot Melt connectors come pre-loaded with advanced 3M Hot Melt adhesive. There is no need for epoxy mixing and application so the termination time averages just two minutes. The 3M Hot Melt connector's reliability, high performance and ease of use, in both indoor and outdoor LANs worldwide, have made it an industry favorite. The 3M Hot Melt LC connector, in both singlemode and multimode, has all the advantages of our pre-loaded Hot Melt technology — and at half the size of our SC connector. With its high-performance adhesive and precision-centered ferrule polishing, it meets TIA 568B.3 requirements for a broad range of applications. To complete termination of the 3M Hot Melt connector, a Fiber Termination Kit is required. Choose between the 3M Hot Melt Fiber Termination Kit 6366 and 3M Hot Melt Fiber Termination Kit 6362-230V, depending on voltage requirements. 3M 6100-W. Connector(s): ST, Product colour: Blue, White

Features		Operational conditions	
Connector(s) *	ST	Storage temperature (T-T)	-40 - 85 °C
Product colour *	Blue, White	Technical details	
		Housing material	Ceramic, Resin, Thermoplastic elastomer (TPE)
		Wire diameter	0.000125 mm
