Product family: QNED MiniLED Product code: 65QNED90TUA

Product name : 65QNED90TUA

65-Inch Class QNED 4K MiniLED QNED90T Series TV with webOS 24

LG QNED MiniLED 65QNED90TUA TV 163.8 cm (64.5") 4K Ultra HD Smart TV Wi-Fi Black:

TV entertainment never looked better thanks to our Mini LED technology, for incredibly bright colors you can feel. Hundreds of miniature LED backlight zones operate independently, for movies with excellent dark-level detail and deep blacks, while minimizing halo effects.

You'll experience rich, colorful picture quality and incredible contrast in detailed images thanks to LG's unique combination of Quantum Dot and Nanocell technology.

Detail and color-rich scenes really pop with LG Precision Dimming technology that's able to control and adjust fine points of the picture.

No more fiddling with picture settings. The α8 AI Processor 4K with AI Picture Pro identifies the type of content you're watching to automatically select the ideal setting and fine-tune the picture for the best watching experience. And Multi View with 2 screens lets you split your screen into two unique views so you can watch even more than before.
